SLEEP & HOME COLLECTION

Bright Mattresses

April 2026

MATTRESSES • BRIGHT IMPERIAL • 30 CM

Divine

Premium PU mattress with 5 foam layers that turns every hour of sleep into maximum body recovery.

Who is it for?

High-stress professionals, active mothers, and anyone seeking hotel-grade recovery every night.

Benefits

- Zero motion transfer - ideal for couples
- 7-zone support for every sleep position
- Hypersoft Cooling technology for fresher sleep
- Luxurious White Rose cover with 3D fabric

MATTRESSES · BRIGHT IMPERIAL · 34 CM

Grand

The crown of the collection - a luxury hybrid mattress with 7 layers combining the strength of pocket springs and the softness of the finest foams.

Who is it for?

Lovers of top-tier luxury, those who want a tall mattress that's easy to get out of, buyers who accept no compromise.

Benefits

- 7-layer support system - from reinforced core to fine foams
- Double stabilization with natural cotton
- Extremely reinforced frame - edges firm even when sitting
- Hyper Soft and Memory foam - warm in winter, cool in summer

MATTRESSES · BRIGHT PRESTIGE · 27 CM

Wellness

A four-layer PU system with 7-zone orthopaedic support - built for a firm base that respects the body's anatomy.

Who is it for?

Growing children, larger sleepers (up to 130 kg), and anyone seeking a quiet, stable base without the sinking feel.

Benefits

- 7-zone profiled foam layers - support exactly where it's needed
- Foam density 33.5 kg/m³ - zero motion transfer
- Memory Intelligent layer eliminates numbness in arms and legs
- White Rose cover with 3D ventilation

MATTRESSES • BRIGHT PRESTIGE • 30 CM

Atlantic

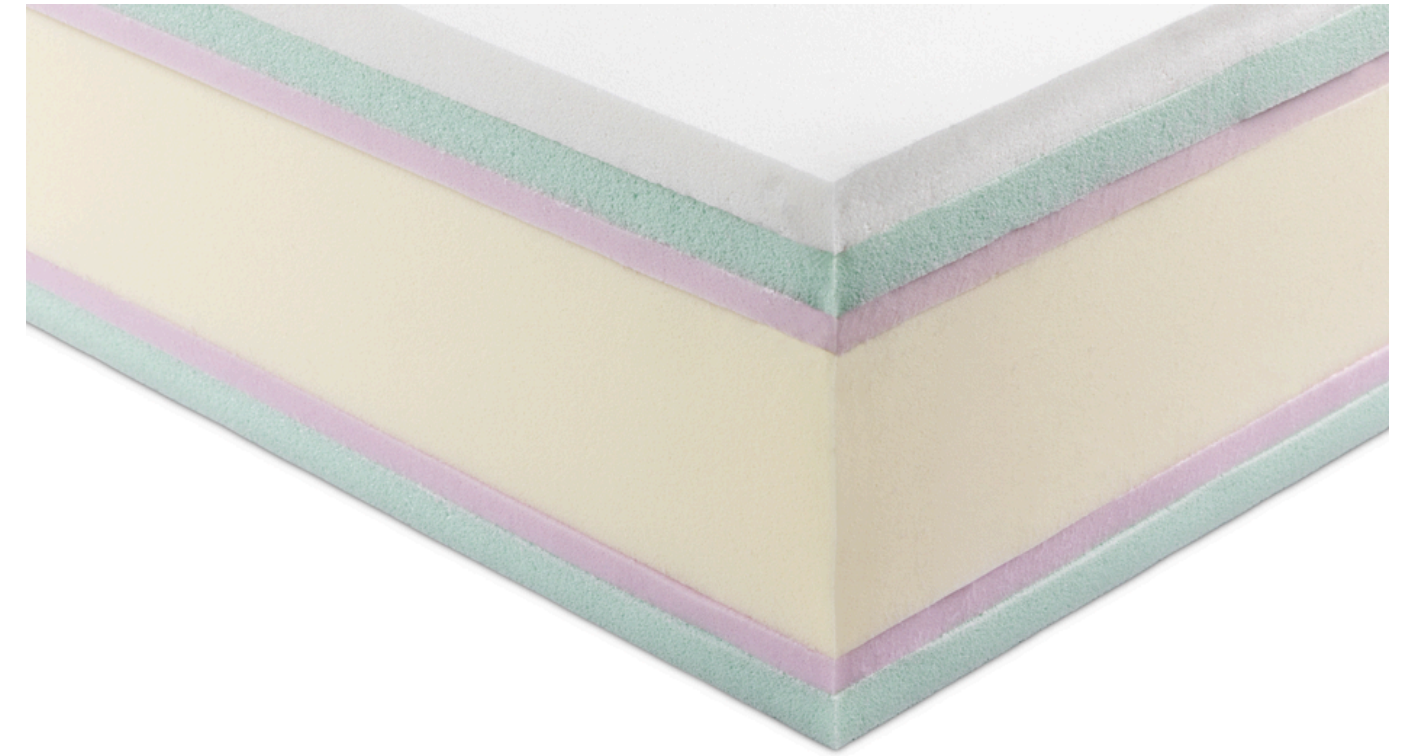

A premium hybrid mattress combining the strength of pocket springs with sophisticated HR foams - stability that doesn't fade over the years.

Who is it for?

Lovers of hotel-grade firmness, people who need help getting up, couples with different needs.

Benefits

- Premium-density HR foams (37 kg/m³) - long-lasting and resilient
- Reinforced frame 8-10 cm - no sagging at the edges
- Memory Intelligent layer that relieves pressure points
- White Rose cover with 3D ventilation band

MATTRESSES · BRIGHT PRESTIGE · 31 CM

Cruise

A byword for superior stability - pocket-spring core with layers of natural cotton for a base that lasts decades.

Who is it for?

Athletes and active people, lovers of a firmer base, high-category hotels seeking longevity.

Benefits

- Reinforced pocket-spring core - firm push-back when rising
- Natural cotton layers for better ventilation
- Memory foam balances spring firmness
- Cover with 3D band - the mattress constantly "breathes"

MATTRESSES • BRIGHT PREMIUM • 29 CM

Tara

Combines the strength of a pocket-spring core with the softness of memory foam - stable support that never sacrifices gentleness to pressure points.

Who is it for?

Lovers of tall, hotel-style mattresses, older sleepers who want easier rising, sleepers seeking a step above the standard.

Benefits

- Pocket-spring core for proper spinal alignment
- Memory foam relieves hips and shoulders
- Stabilization foam prevents the sinking feel
- Winter and summer side for year-round comfort

MATTRESSES · BRIGHT PREMIUM · 26 CM

Harmony

A synonym for stability and durability – pocket-spring core with dynamic support and a naturally resilient feel.

Who is it for?

Fans of classic springs, practical families, and hotels seeking an excellent balance of price, quality, and longevity.

Benefits

- Independent pocket springs – partner movement isolated
- Dense support-foam layer – no direct spring feel
- Breathable structure – optimal temperature through the night
- White Rose knit – elegance and durability

MATTRESSES • BRIGHT PREMIUM • 24 CM

Silver UPG

An upgraded Silver with 4 foam layers and Hyper Soft technology - more height, more softness, more comfort.

Who is it for?

Those wanting a comfort upgrade, hot sleepers, families and hotels seeking a versatile model.

Benefits

- Four-layer architecture - better weight distribution
- Hyper Soft summer side - cool and breathable
- Memory Intelligent layer - a weightless feel
- Luxurious White Rose cover with rich silicone fill

MATTRESSES · BRIGHT ESSENTIAL · 20 CM

Silver

A three-layer double-sided springless mattress - flip it to choose between the softness of memory foam and a firmer, resilient base.

Who is it for?

Those who enjoy a seasonal change of feel, young and dynamic sleepers, anyone still unsure what suits them best.

Benefits

- Double-sided design - a softer and a firmer side in one mattress
- Memory Intelligent layer to relieve joints
- Foam density 32.5 kg/m³ - longevity without sagging
- White Rose cover with a richly quilted layer

MATTRESSES · BRIGHT ESSENTIAL · 17 CM

Duo

A high-quality double-sided mattress featuring two distinct high-density foams. Simply flip the mattress to choose between standard firmness and a more elastic, resilient feel.

Who is it for?

Those who want versatility and longevity, people who like to switch between different levels of firmness, and anyone looking for a mattress that is easy to maintain and keep fresh.

Benefits

- Double-sided design – choice between firm and elastic comfort
- High-density foam (31 kg/m³) – longevity without sagging
- Premium White Rose cover – richly quilted for extra softness
- Easy maintenance – machine washable cover with a quality zipper
